Call for Papers

The 15th International Conference on Software, Telecommunications and Computer Networks (*SoftCOM 2007*), co-sponsored by the IEEE Communication Society (COMSOC), will be held in attractive ambience of the Le Meridien Lav hotel September 27 & 28, and aboard the cruising ship "Dubrovnik", September 29, visiting Split and Dubrovnik. You are invited to cruise along the Croatian Adriatic coast, the very first choice for the top 10 Adventure 2006, by National Geographic.

Authors are invited to submit their high-quality papers representing original results in all areas of communication software, telecommunications and computer networks. Accepted papers will be published in the conference proceedings. Papers will be indexed in the IEEE Xplore and Inspec.

Authors of the selected best papers will be invited to submit a revised and extended version of their manuscripts for possible publication in a special issue of the Journal of Communications Software and Systems (JCOMSS).
