

15th International Conference on Software, Telecommunications and Computer Networks

SoftCOM 2007

September 27 – 29, 2007

Split – Dubrovnik

International Symposium Committee

Chair:

Mario De Blasi
University of Lecce, Italy

Dinko Begusic
University of Split, Croatia

Tony Bogovic
Teleordia Technologies, USA

Petre Dini
Cisco Systems, USA

Gorazd Kandus
Jozef Stefan Institute, Slovenia

Yumin Lee
National Taiwan University, Taiwan

Pascal Lorenz
Univ. de Haute Alsace, France

Ignac Lovrek
University of Zagreb, Croatia

Gottfried Luderer
Arizona State University, USA

Antun Caric
KATE-KOM, Croatia

Hiroshi Masuyama
Tottori University, Japan

Dean Marusic
Ericsson - Nikola Tesla, Croatia

Ivan Mijacika
T-HT, Croatia

Miljenko Mikuc
University of Zagreb, Croatia

Naohisa Ohta
Sony Corporation, Japan

IEEE ComSoc Liaison

Algirdas Pakstas
London Metropolitan Univ., UK
a.pakstas@ieee.org

Symposium on MOBILE WIRELESS NETWORKS

Symposium Chair: Mario De Blasi
University of Lecce, Italy, (mario.deblasi@unile.it)

Call for Papers

The 15th International Conference on Software, Telecommunications and Computer Networks (SoftCOM 2007), co-sponsored by the IEEE Communication Society (COMSOC), will be held in attractive ambience of the Le Meridien Lav hotel September 27&28, and aboard the cruising ship "Dubrovnik", September 29, visiting Split and Dubrovnik. You are invited to cruise along the Croatian Adriatic coast, the very first choice for the top 10 Adventure 2006, by National Geographic.

The main goal of this symposium is to present and discuss recent advances in the development of innovative wireless networks that support user mobility. Particular attention will be given to recent challenges related to wireless vehicular ad hoc networking (VANET) technologies. These communication systems (vehicle-to-vehicle and vehicle-to-roadside) will enable vehicular both safety applications and non-safety applications such as mobile entertainment.

Accepted papers will be published in the conference proceedings and will be indexed in the IEEE Xplore and Inspec. Authors of selected best papers will be invited to submit an extended version of their manuscripts for publication in the Journal of Communications Software and Systems (JCOMSS).

We cordially invite speakers who wish to present original papers on the following subjects, but not limited to these, associated with wireless communication:

- Ad Hoc Wireless Networks
- Simulation, modelling or real-world test-beds of wireless networks and systems
- Roadside-to-vehicle and vehicle-to-vehicle communication
- Safety and non-safety applications
- Wireless MAC protocols: design and analysis
- Mobile Internet
- Wireless Standards
- Transport layer for Wireless Networks
- Interoperability between heterogeneous Wireless Networks
- Wireless Sensor Networks
- Energy management in Ad Hoc Wireless Networks
- Quality of Service in Wireless Networks

IMPORTANT DATES

Complete manuscript due June 1, 2007
Notification of acceptance July 1, 2007
Camera-ready manuscript Aug. 1, 2007

More information about the Conference including details on the submission process and authors kit is available on the website:
