

Prototype Presentations

Call for proposals

The 17th International Conference on Software, Telecommunications and Computer Networks (SoftCOM 2009), co-sponsored by the IEEE Communication Society (ComSoc), will be held in attractive ambience of the Amfora hotel in Hvar, September 24 - 26. Tucked into a tranquil bay, surrounded by a lush pine grove, and only a short ten-minute walk from the historic city of Hvar, Amfora is the most exciting new resort in the Adriatic.

SoftCOM 2009 will provide an open forum for communications technology researchers and engineers to discuss new and emerging systems, standards and services, and their applications in telecommunications and information systems. The Conference will feature symposia, general and special sessions, tutorials, workshops and business forum.

Prototype presentations will gather experts and professionals who wish to demonstrate new systems, applications and services, and to share opinions and experiences regarding performances, functionality, technological and marketing aspects of ICT products.

Proposals for presentations of ICT products, systems, applications and services are invited. Topics of special interest include ICT infrastructure in all areas.

Proposals including the title and short abstract (up to 200 words) should be sent to the SoftCOM secretary e-mail address softcom@fesb.hr
