Call for Papers

The 17th International Conference on Software, Telecommunications and Computer Networks (SoftCOM 2009), co-sponsored by the IEEE Communication Society (ComSoc), will be held in attractive ambience of the Amfora hotel in Hvar, September 24 - 26. Tucked into a tranquil bay, surrounded by a lush pine grove, and only a short ten-minute walk from the historic city of Hvar, Amfora is the most exciting new resort in the Adriatic.

PhD students in Engineering are invited to submit papers representing their knowledge and original vision of their area of investigation as a PhD student. Papers are expected in all areas of engineering for which a doctoral study or another form of work on doctoral thesis exists at Universities. All submitted papers will be reviewed by two reviewers. Accepted papers will be published in the special proceedings.

Paper should be written in Croatian or English. Length of the paper should be 5-10 pages. Proposals should fit the recommendations in the [author kit](#).
